## KEYNOTE SPEAKER BIO

**Frank J. Grimmelmann**

President & CEO

Arizona Cyber Threat Response Alliance (ACTRA)

Mr. Frank J. Grimmelmann serves as President & CEO for the Arizona Cyber Threat Response Alliance (ACTRA), a non-profit entity that was developed collaboratively with the Arizona InfraGard Program, the FBI, USDHS and law enforcement, and independently launched in 2013 to enable its private/public sector member organizations across all critical sectors to enable themselves to respond to the escalating national cybersecurity threat.

Mr. Grimmelmann Co-Chairs Governor Ducey's AZ Cybersecurity Team ('ACT') and is a Founding Member of President Obama's National ISAO Standards Group Leadership Team at the University of Texas San Antonio (UTSA). As ACTRA's leader, Mr. Grimmelmann was the first private sector representative in the Arizona Counter Terrorism Information Center (ACTIC) appointed to its Executive Board. He has held C-level positions in Finance, healthcare and government, now focusing on cybersecurity in response to 9/11. He holds an MBA in Finance/International Business from UC Berkeley, and a BA in Operations with a Business Law minor from the University of South Florida.
